### Diocesan School Fees

Federal and State Governments acknowledge the right of parents to choose the school which best suits their children's needs for educational, religious, cultural or other reasons.

However, in comparison with funds spent on students in government schools, government funds committed to non-government schools remain limited. Your contribution through school fees is essential to the continued operation of your Catholic School.

Your school fees consist of a Tuition Fee, School Building Levy and Technology Levy set by DCEO and other School-Based Levies. School-Based Levies are approved by the School Board – to be no greater than the 25% of the non-discounted tuition fees per student.
